## **ROAD PAVING**

---

**\*\*\*\*\* IMPORTANT NOTICE \*\*\*\*\***

---

Dear Homeowners,

We are now proceeding to construct the speed humps on Narin Ave..

Due to the hot weather this summer, we had to delay the speed hump installation until cooler weather prevailed.

Installation is scheduled for:

**The week of October 31st**  
**(weather permitting)**

Please note:

**NO VEHICLES ARE TO BE PARKED ON THE STREET EFFECTIVE 7:30 AM**

**ANY VEHICLES LEFT ON THE ROADWAY WILL BE RELOCATED.**

You will continue to have access to the road, however; you may experience slight interruptions during business hours.

We ask for drivers to please take extra caution in the construction zone.

Thank you in advance for your co-operation.

Regards,

C. Valley Paving Ltd.
