

## **Jane's Walk is on May 5th, 6th, and 7th!**

Jane's Walk is a global festival of free, community led walking tours inspired by [Jane Jacobs](#). The walks get people to explore their communities and connect with neighbours. In 2016, over 7,000 people attended 226 walks in 37 GTA Wards.

A Jane's Walk is a great opportunity to spark community conversations in your ward. How can you get involved?

If you have a fun, informative, unusual way of looking at your neighbourhood, then Jane's Walk wants you to host a walking conversation in your community!

Jane's Walk is a global movement of free, community-led walking tours inspired by Jane Jacobs. The walks get people to explore their cities and connect with neighbours. Organizing a Jane's Walk is easy. It simply involves planning a route, thinking through the stories, places, people and ideas you want to hear and talk about, and then posting it online at [janeswalk.org/toronto](http://janeswalk.org/toronto). Learn more at [www.janeswalk.org](http://www.janeswalk.org).

### **Walk your ward on May 5th, 6th, and 7th**

Jane's Walk is a great way to personally connect with your constituents, share stories of the neighborhood, and discuss important issues in your community. New walks are posted every day at [janeswalk.org/toronto](http://janeswalk.org/toronto).
