November 10, 2017

Extreme Cold Weather Alert terminated for Toronto

Based on information from Environment Canada, Dr. Barbara Yaffe, Toronto's Acting Medical Officer of Health, has terminated the Extreme Cold Weather Alert for Toronto as of noon today.

Find out more about winter and other services for homeless and underhoused individuals at <http://www.toronto.ca/homelesshelp>.

More information and tips for staying warm during cold weather are available at <http://www.toronto.ca/health>.

Information to help residents prepare for extreme weather and weatherproof their homes is available at <http://www.toronto.ca/extremeweatherready>.

Toronto is Canada's largest city, the fourth largest in North America, and home to a diverse population of about 2.8 million people. It is a global centre for business, finance, arts and culture and is consistently ranked one of the world's most livable cities. In 2017, Toronto is honouring Canada's 150th birthday with "TO Canada with Love," a year-long program of celebrations, commemorations and exhibitions. For information on non-emergency City services and programs, Toronto residents, businesses and visitors can visit <http://www.toronto.ca>, call 311, 24 hours a day, 7 days a week, or follow us on Twitter at <http://www.twitter.com/TorontoComms> and on Instagram at <http://www.instagram.com/cityofto>.
