IMPORTANT COMMUNITY MEETING

NEW PROPOSED PARKETTE AT 177 CALEDONIA ROAD & SPLASH PAD AT BERT ROBINSON PARK

Dear Friends:

I'm pleased to invite you to an important public meeting to discuss two community projects - the **NEW** proposed parkette at 177 Caledonia Road along with the construction of the state-of-the-art splash pad within Bert Robinson Park. The meeting will be held on:

Date:	Tuesday, April 3rd, 2018
Time:	6:00 p.m. – 8:30 p.m.
Location:	St. Nicholas of Bari School (Gym) 363 Rogers Road

Special Presentation by Landscape Consultant - 177 Caledonia Road NEW Parkette:

There will be a half hour open house to view printable materials and display boards, followed by special presentations featuring the new parkette design by the Landscape Consultants that will conclude with a "Question & Answer" period.

I strongly believe that community meetings, such as this, demonstrate how civic engagement can be a powerful tool to get things done in the community. We're here to listen and to learn from your opinions and experiences, and to see how we can improve our neighbourhood collectively.

Parks and Recreation update and potential time lines for Bert Robinson Park Splash Pad Completion:

This update is a follow up to a community meeting that was held in the summer of 2016, whereby City Parks and Recreation staff reported that funds were secured to construct a state-of-the-art splash pad and whereby local residents were given an opportunity to express their opinions and share their ideas.

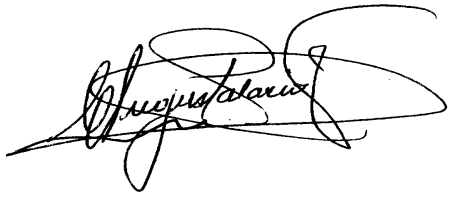

On April 3, 2018, Parks and Recreation staff will be at the meeting to provide an update and potential time lines for completion.

Improving and enhancing our Parks/Public spaces are essential to creating healthy and vibrant communities, as they ensure that our residents have a safe and enjoyable place to play and enjoy the outdoors. It is imperative that we continue to add more green areas and recreational spaces so that our City and neighbourhoods become greener and healthier.
