

# COMPUTER & LIBRARY TRAINING

## Digital Literacy Day Makey Makey Play Time

Thursday May 31, 2018  
4:00-5:30 PM  
Dufferin/ St. Clair Library  
Ages 8-12

Control video games using a Makey Makey and everyday items. The class will teach learners new concepts like what a circuit is and what materials transfer electricity. They will also edit a game's code using the web platform Scratch.

*Library customers are encouraged to bring their own laptops. Please inquire how to use library computers for the workshop.*  
To register ask staff or call 416-393-7712.
